Consequently, full compliance with the provisions of the Student Handbook is mandatory.
2. All issued "hair-passes" are hereby declared invalid, null and void; and of no effect whatsoever. Accordingly, the possession, presentation, or reliance on any such "hair-pass" or exemption is in direct contravention of Babcock University's Policy, Rules and Regulations on personal appearance and dressing.
3. Students currently in possession of any form of hair-pass or exemption are directed to disregard and discontinue its use immediately. Any student found presenting, using, or relying on such document shall be investigated for the violation of University regulations and if found liable shall face the inevitable consequence accordingly.
4. For the avoidance of doubt, hair-pass is illegal and or unlawful by Babcock University Policy, Rules and Regulations and hence, such hair-pass does not confer any valid and or legitimate right to grow or maintain unapproved hairstyles in any of our campuses. The use, circulation, or recognition of hair-pass in any form is henceforth outlawed at Babcock University with immediate effect.
