

Babcock University

ILISHAN - REMO, NIGERIA

UNDERGRADUATE & FOUNDATION STUDIES (JUPEB) ADMISSIONS FOR 2026/2027 ACADEMIC SESSION

This is to inform candidates who chose Babcock University as first choice in the 2026 Joint Admissions and Matriculation Board (JAMB) that they can now apply for the Post Unified Tertiary Matriculation Examination (Post-UTME) by visiting: <https://admissions.babcock.edu.ng>

GENERAL ENTRY REQUIREMENTS:

Minimum qualification for the First Degree Programme 5 credits at the GCE/SSCE/NECO Examinations or their equivalent (in not more than 2 sittings); one sitting only for Medicine. Candidates below 16 years of age are advised not to apply.

NOTE:

Admission into Babcock University undergraduate programmes is only through Unified Tertiary Matriculation Examination (UTME) and Joint Admissions and Matriculation Board Direct Entry (JAMB DE).

Only UTME and DE candidates who selected Babcock University as the first choice are eligible for the screening exercise.

However, Candidates who did not select Babcock University as institution of first choice can apply, BUT are required to make Babcock University as institution of first choice at any accredited JAMB CBT Centre in order to complete the Admission process.

Candidates applying for Inter-University Transfer Admissions need to present JAMB Admission Letter, Transcript, and Attestation Letter from the previous University to effect the Inter-University transfer with JAMB.

The application is also open to foreign applicants provided they meet the general entry and JAMB requirements.

SCHOOL OF EDUCATION AND HUMANITIES

Department of History and International Studies

Degree offered: B. A. (Hons) History and International Studies.

Four Years (4 years) Degree Programme

UTME: In addition to acceptable passes in UTME, the minimum academic requirement is credit level passes in five relevant subjects at the Senior School Certificate Examination (SSCE)/its equivalent, including English Language and Government/History in not more than two sittings.

Direct Entry (DE): Direct Entry candidates must possess credit level passes in five relevant subjects at the Senior School Certificate Examination (SSCE)/its equivalent, including English Language, Government/History two of which must be at the advanced level. Holders of NCE, University/National Diploma (ND) at minimum of credit level are eligible for consideration for Direct Entry admission into 200 Level. In addition, candidates must meet the required qualifications at Ordinary Level.

Department of Languages and Literary Studies

Degree offered: B. A. (Hons) English Studies

Four Years (4 years) Degree Programme

UTME: In addition to acceptable passes in UTME, the minimum academic requirement is credit level passes in five relevant subjects at the Senior School Certificate Examination (SSCE)/its equivalent, including English Language and Literature in English in not more than two sittings.

Direct Entry (DE): Direct Entry candidates must possess credit level passes in five relevant Arts subjects at the Senior

School Certificate Examination (SSCE)/its equivalent, including English Language and Literature in English in not more than two sittings.

Direct Entry (DE): Direct Entry candidates must possess credit level passes in five relevant Arts subjects at the Senior School Certificate Examination (SSCE) / its equivalent, including English Language and Literature in English, two of which must be at the advanced level. Holders of NCE, University/National Diploma (ND) at minimum of credit level are eligible for consideration for Direct Entry admission into 200 Level. In addition, candidates must meet the required qualifications at Ordinary Level.

Degree offered: B. A. (Hons) French and Foreign Studies

Four Years (4 years) Degree Programme

UTME: In addition to acceptable passes in UTME, the minimum academic requirement is credit level passes in five relevant subjects at the Senior School Certificate Examination (SSCE) / its equivalent, including English Language, in not more than two sittings. The UTME subjects must include French.

Direct Entry (DE): Direct Entry candidates must possess credit level passes in five relevant subjects at the Senior School Certificate Examination (SSCE)/its equivalent, including English Language and French, and two of which must be at the advanced level. Holders of NCE, University/National Diploma (ND) at minimum of credit level are eligible for consideration for Direct Entry admission into 200 Level. In addition, candidates must meet the required qualifications at Ordinary Level.

Department of Religious Studies

Degree offered: B. A. (Hons) Christian Theology

Four Years (4 years) Degree Programme

UTME Entry: In addition to acceptable passes in UTME, the minimum academic requirement is credit level passes in five relevant subjects at the Senior School Certificate Examination (SSCE)/its equivalent, including English Language and Christian Religious studies, in not more than two sittings.

Direct Entry (DE): Direct Entry candidates must possess credit level passes in five relevant subjects at the Senior School Certificate Examination (SSCE)/ its equivalent, including English Language and Christian Religious studies, two of which must be at the advanced level. Holders of NCE, University/National Diploma (ND) at minimum of credit level are eligible for consideration for Direct Entry admission into 200 Level. In addition, candidates must meet the required qualifications at Ordinary Level.

Department of Education

Four Years (4 years) Degree Programme

Degree offered: B. Sc. Ed. (Hons)

1. Business Education
2. Economics Education
Degree offered: B. Ed. (Hons)
3. Educational Management
Degree offered: B. Ed. (Hons)
4. Guidance and Counseling
Degree offered: B. A. (Ed.) Hons)
5. English Education

UTME Entry: For Nos. 1 and 2 above, 5 credits in English Language and Mathematics and any of the following: Economics, Commerce, Accounting and Government.

For No. 3 above, 5 credits in English Language and Mathematics and any other 3 subjects

For No. 4 above, 5 credits in English Language, and any 4 other subjects.

For No. 5 above, 5 credits in English Language, Mathematics, Literature in English and any 2 other subjects.

Direct Entry: In addition to O'Level /its equivalent requirements stipulated above, applicants should possess at least two A'Level papers in relevant subjects.

A pass at merit level in a relevant Diploma Programme (provided the O/L requirements are satisfied).

Two (2) passes in relevant subject areas at Advanced level.

Passes in two (2) major subjects in relevant areas in the NCE

Two (2) passes at the (Interim Joint Matriculation Board) IJMB examination or Cambridge Moderated Schools of Basic Studies Terminal Examinations or International Baccalaureate from a recognized institution.

Department of Music and Creative Arts

Degree offered: B. A. (Hons) Music

Four Years (4 years) Degree Programme

UTME: In addition to SSCE passes in five subjects at Credit level including English language and an acceptable score in the UTME, candidates must have any ONE of the following:

1. A credit level pass in music at the senior secondary school level;

2. A pass at grade v or higher of the Associated Board Of The Royal Schools Of Music (ABRSM), Musical Society Of Nigeria (MUSON) or other comparable body; or

3. A pass at an audition or aptitude test in music set by the admitting department. The test will normally include a demonstration of the ability to play an instrument or sing.

Direct Entry (DE): Direct Entry candidates must possess Five credits in SSCE (or its equivalent) credit pass including English, two of which must be at the Advanced Level.

A minimum of a credit at the University/National Diploma or NCE in Music with other three SSCE credits passes.

SCHOOL OF LAW AND SECURITY STUDIES

Department of Law

Five Years (5 years) Degree Programme

LL.B (Hons) Law

UTME: The minimum academic requirement is credit level passes in five (5) subjects at the Senior School Certificate Examination (SSCE)/its equivalent in nationally recognized examination, including English Language, Mathematics and Literature in English obtained at not more than two sittings; such a candidate must in addition have an acceptable pass in the UTME.

SCHOOL OF MANAGEMENT SCIENCES

Department of Accounting

Four Years (4 years) Degree Programme

Degree offered: B. Sc. (Hons) Accounting

UTME Entry: The minimum academic requirement is credit level passes in five subjects at O'Level/its equivalent in nationally recognized examination including English Language, Mathematics and any other 3 from Accounting, Commerce, Economics and any other relevant Commercial Subjects in not more than two sittings.

Direct Entry: In addition to O'Level/its equivalent requirements stipulated above, applicants should possess at least two A'Level papers in relevant subjects, and one must be Accounting, Economics or Commerce.

ND in relevant discipline with at least upper credit grade in addition to the five credit passes as stated above

HND in relevant discipline with at least upper credit in addition to five credit passes as stated above may apply for a Two year programme in the department.

Department of Finance

Degree offered: B. Sc. (Hons) Finance

Four Years (4 years) Degree Programme

UTME: The minimum academic requirement is credit level passes in five subjects at O'Level/its equivalent in nationally recognized examination including English Language, Mathematics and any of Economics, Geography, Chemistry, Physics, Biology, Financial Accounting and Commerce in not more than two sittings.

Direct Entry: In addition to O'Level/its equivalent requirements stipulated above, applicants should possess at least two A'Level papers in relevant subjects.

ND in relevant discipline with at least upper credit grade in addition to the five credit passes as stated above

HND in relevant discipline with at least upper credit in addition to five credit passes as stated above.

Department of Business Administration and Marketing

Degree offered: B.Sc. (Hons) Business Administration

Four Years (4 years) Degree Programme

UTME: The minimum academic requirement is credit level passes in five subjects at O'Level/its equivalent in nationally recognized examination including English Language, Mathematics and any of Economics, Financial Accounting, Marketing and Commerce in not more than two sittings.

Direct Entry: In addition to O'Level/its equivalent requirements stipulated above, applicants should possess at least two A'Level papers in relevant subjects, and one must be Mathematics.

ND in relevant discipline with at least Upper Credit grade in addition to the five credit passes as stated above

HND in relevant discipline with at least Upper Credit in addition to five credit passes as stated above.

Degree offered: B. Sc. (Hons) Marketing

Four Years (4 years) Degree Programme

UTME Entry: The minimum academic requirement is credit level passes in five subjects at O'Level/its equivalent in nationally recognized examination including English Language, Mathematics and any of Economics, Financial Accounting, Marketing, Business Method and Commerce in not more than two sittings.

Direct Entry: In addition to O'Level/its equivalent requirements stipulated above, applicants should possess at least two A'Level papers in relevant subjects, and one must be Mathematics.

ND in relevant discipline with at least upper credit grade in addition to the five credit passes as stated above

HND in relevant discipline with at least Upper Credit in addition to five credit passes as stated above.

Department of Information Resources Management

Degree offered: B.Sc. (Hons) Information Resources Management

Four Years (4 years) Degree Programme

A candidate is admitted into the programme in one of the following three modes:

- The University Tertiary Matriculation Examination (UTME) issued by the Joint Admissions & Matriculation Board (JAMB)

- Direct Entry managed by the Joint Admissions & Matriculation Board (JAMB)

- Inter-university or Inter-programme (intra-university) transfer.

UTME (4-year/8 semester programme)

In addition to other specified University requirements, a candidate must obtain at least a Credit level pass in five subjects at the O' Level/SSCE examinations of WAEC, NECO or any other body accepted by the University in not more than two sittings in subjects including:

Mathematics, English and any of the following: Economics, Commerce, Government/Civic Education, Financial Accounting and Marketing.

Direct Entry (3-year/6 semester programme)

* In addition to the O' Level requirements stipulated in UTME above, a candidate must have passed in at least two A' Level papers in the basic subjects required for the programme.

* A candidate with OND in a relevant area or any other Diploma certificate with Upper Credit in addition to the requirements for UTME.

* A candidate with HND in a relevant discipline with at least Upper Credit in addition to the requirements for UTME.

* A candidate with a B.Sc. /BA or any other first degree, with a minimum of a 3rd Class in addition to the requirements for UTME.

* A candidate with the minimum score acceptable by the University in JUPEB, in addition to the requirements for UTME.

VERONICA ADELEKE SCHOOL OF SOCIAL SCIENCES

Department of Economics

Degree offered: B. Sc. (Hons) Economics

Four Years (4 years) Degree Programme

UTME: Candidates for admission into the four year degree programme in the Economics should possess a Senior School Certificate Examination (SSCE) or General Certificate of Education of West African Examination Council (WAEC) or National Examination Council (NECO) or their equivalent with at least five credit passes in relevant subjects including Economics, Mathematics and English Language in not more than two sittings.

Direct Entry: Candidates for Direct Entry admission shall possess five credit passes in the Senior School Certificate Examination (SSCE), In addition, to acceptable passes in at least two social science subjects including Economics at Advanced Level, provided that such passes are not counted at

both levels of the examination. For emphasis, credit passes in English Language, Mathematics and Economics or any other social science subject are compulsory.

Department of Mass Communication

Degree offered: B. Sc. (Hons) Mass Communication

Four Years (4 years) Degree Programme

UTME: Admission through UTME shall take the student to 100 level. To be eligible for admission, candidate is expected to pass both the UTME and the University screening test (where applicable). The candidate must have in addition a minimum of credit pass in five subjects at not more than two sittings in SSCE/its equivalent. The credit passes are required in the following subjects: English language, Mathematics, Literature in English and any other two subjects.

Direct Entry:

1. A pass at merit level in a diploma programme in Mass Communication, Journalism or related disciplines (provided the SSCE requirements are satisfied).

2. Two passes in relevant subject areas at advanced level.

3. Passes in two major subjects in relevant areas in the NCE.

4. Two passes at the Interim Joint Matriculation Board (IJMB) examination. In addition, the candidate must possess five credit level passes in five subjects at Senior Secondary Certificate Examination (SSCE), which must include Mathematics, English Language and three other relevant subjects.

Department of Political Science and Public Administration

Degree offered: B. Sc. (Hons) Political Science

Four Years (4 years) Degree Programme

UTME Mode: Candidates for admission into the four year degree programme in the Political Science in Nigeria should possess a Senior School Certificate Examination (SSCE) or General Certificate of Education of West African Examination Council (WAEC) or National Examination Council (NECO) or their equivalent with at least five credit passes in relevant subjects including Mathematics, English Language and Government/History in not more than two sittings.

Direct Entry: Candidates for Direct Entry admission shall possess five credit passes in the Senior Secondary Certificate, General Certificate of Education, National Examination Council or their equivalent including English and Mathematics of which at least two shall be at the Advanced level or four credit passes of which at least three shall be at the Advanced level provided that such passes are not counted at both levels of the examinations. In some cases, holders of diploma certificate in disciplines related to courses of study desired in the Social Sciences are accepted.

Degree offered: B. Sc. (Hons) Political Science (International Law & Diplomacy)

Four Years (4 years) Degree Programme

UTME Mode: Candidates for admission into the four year degree programme in the Political Science in Nigeria should possess a Senior School Certificate Examination (SSCE) or General Certificate of Education of West African Examination Council (WAEC) or National Examination Council (NECO) or their equivalent with at least five credit passes in relevant subjects including Mathematics, English Language and Government/History in not more than two sittings.

Direct Entry: Candidates for Direct Entry admission shall possess five credit passes in the Senior Secondary Certificate, General Certificate of Education, National Examination Council or their equivalent including English and Mathematics of which at least two shall be at the Advanced level or four credit passes of which at least three shall be at the Advanced level provided that such passes are not counted at both levels of the examinations. In some cases, holders of diploma certificate in disciplines related to courses of study desired in the Social Sciences are accepted.

Degree offered: B. Sc. (Hons) Peace Studies and Conflict Resolution

Four Years (4 years) Degree Programme

UTME Mode: Candidates for admission into the four-year degree programme in Peace Studies and Conflict Resolution in Nigeria should possess a Senior School Certificate Examination (SSCE) or General Certificate of Education of West African Examination Council (WAEC) or National Examination Council (SSCE-WAEC/NECO) or their equivalent with at least five credit passes in relevant subjects including Mathematics and English Language at not more than two sittings.

Direct Entry: Candidates for Direct Entry admission shall possess five credit passes in the Senior Secondary Certificate, General Certificate of Education, National Examination Council or their equivalent including English and Mathematics of which at least two shall be at the Advanced level or

four credit passes of which at least three shall be at the Advanced level provided that such passes are not counted at both levels of the examinations. In some cases, holders of diploma certificate in disciplines related to courses of study desired in the Social Sciences are accepted.

Degree offered: B. Sc. (Hons) Public Administration

Four Years (4 years) Degree Programme

UTME Mode: Candidates for admission into the four year degree programme in the Public Administration in Nigeria should possess a Senior School Certificate Examination (SSCE) or General Certificate of Education of West African Examination Council (WAEC) or National Examination Council (NECO) or their equivalent with at least five credit passes in relevant subjects including Mathematics, English Language, Government or History or Civic Education, Economics and any other Social Sciences or Art Subjects in not more than two sittings.

Direct Entry:

1. In addition to O'Level requirements stipulated above, applicants should possess at least two A'Level Papers or its equivalent in relevant subjects on a grade of at least "B".
2. OND in relevant discipline with at least Upper Credit grade in addition to the five credit passes as in UTME requirement above.
3. HND in relevant discipline with at least lower credit in addition to five credit passes as in UTME requirement above.

Department of Social Work

Degree offered: B. Sc. (Hons) Social Work

Four Years (4 years) Degree Programme

UTME Mode: Candidates for admission into the four year degree programme in Social Work in Nigeria should possess a Senior School Certificate Examination (SSCE) or General Certificate of Education of West African Examination Council (WAEC) or National Examination Council (NECO) or their equivalent with at least five credit passes in relevant subjects including Mathematics and English Language in not more than two sitting.

Direct Entry: Candidates for Direct Entry admission shall possess five credit passes in the Senior Secondary Certificate, General Certificate of Education, National Examination Council or their equivalent including English and Mathematics of which at least two shall be at the Advanced level or four credit passes of which at least three shall be at the Advanced level provided that such passes are not counted at both levels of the examinations. In some cases, Diploma in social work/diploma in social administration passed at upper credit level or NCE social studies passed at 'B' level and above could also be considered.

SCHOOL OF SCIENCE AND TECHNOLOGY

Department of Agriculture and Industrial Technology

B. Agric. (Hons) with options in:

1. Agricultural Economics/Agricultural Extension
2. Crop Science/ Soil Science
3. Animal Science

Five Years (5 years) Degree Programme

UTME: In addition to UTME score, candidates for admission into the B. Agric programme and any other programme in the discipline of Agriculture (except for those seeking for admission into Agricultural Economics and Agricultural Extension) should possess five credit passes in Senior Secondary Certificate Examination (SSCE) /its equivalent, including English Language and Mathematics, Biology or Agricultural Science and any other two subjects from the following: Chemistry, Physics or Geography in not more than two sittings.

However, candidates for admission into Agricultural Economics and Agricultural Extension must possess credit passes in English Language, Mathematics, Economics, Geography and Agriculture, with at least passes in Chemistry and Physics, in not more than two sittings.

Direct Entry: Candidates for Direct Entry admission into the B.Agric programme or any other programme in Agriculture except for Agricultural Economics and Agricultural Extension, must have at least 2 credit passes at the Advanced level in Chemistry and Biology, plus Five SSC (or its equivalent) credit pass as prescribed for UTME entry mode. HND and Diploma Holders with a minimum of Upper Credit plus Five Senior School Certificate Examination (SSCE) (or its equivalent) are also eligible for Direct Entry admission. While candidates with Advance level certificate and Diploma are eligible for consideration into 200 level of either the B. Agric programme or any other programme in the discipline of Agriculture, those with HND are eligible for admission into 300 level for the 5 year programme.

Department of Basic Sciences

Degree offered: B. Sc. (Hons) Mathematics

Degree offered: B. Sc. (Hons) Chemistry

Degree offered: B. Sc. (Hons) Biology

Four Years (4 years) Degree Programme

UTME: The entry requirements shall be at least passes at Credit level at Senior School Certificate Examination (SSCE) or its equivalents in five subjects in not more than two sittings. Such subjects must include English Language, Mathematics, Physics, Chemistry and Biology. In addition, an acceptable pass in the Unified Tertiary Matriculation Examination in (UTME) is required for admission into 100 Level.

Direct Entry: Candidates with at least two A level passes in relevant subjects at the GCE Advanced Level/ IJMB/ JUPEB or equivalent, may be considered for admission into 200 Level, provided they satisfy the 'O' level qualifications above.

Department of Microbiology

Degrees Offered: B.Sc. (Hons) Microbiology

Four Years (4 years) Degree Programme

UTME: The entry requirements shall be at least credit level passes in five subjects including English Language, Mathematics, Biology, Chemistry, and Physics at the Senior Secondary Certificate Examination (SSCE)/ its equivalent.

Direct Entry: Candidates with at least two A level passes GCE/IJMB/ JUPEB in two relevant subjects (Biology, Botany, Chemistry, Geography, Mathematics and Physics) may be admitted into 200-level, provided they satisfy the 'O' Level requirement.

SCHOOL OF COMPUTING

Department of Computer Science

Degree offered: B. Sc. (Hons) Computer Science

Four Years (4 years) Degree Programme

UTME: In addition to appropriate UTME score, a candidate must possess five Senior School Certificate Examination (SSCE)/its equivalent credit passes including English Language, Mathematics, Physics and any other relevant Science subjects in not more than two sittings.

Direct Entry: A minimum of a credit at the University/National Diploma or NCE with other five Senior School Certificate Examination (SSCE) credit passes in relevant science subjects three (3) of which must be in English Language, Mathematics, Physics.

Degree offered: B.Sc. Information Systems

Four Years (4 years) Degree Programme

UTME: In addition to appropriate UTME score, a candidate must possess five Senior School Certificate Examination (SSCE)/its equivalent credit passes including English Language, Mathematics, Physics and any other relevant Science subjects in not more than two sittings.

Direct Entry: A minimum of a credit at the University/National Diploma or NCE with other five Senior School Certificate Examination (SSCE)/its equivalent credit passes in relevant science subjects' three (3) of which must be in English Language, Mathematics, and Physics.

Department of Information Technology

Degree offered: B.Sc. (Hons) Information Technology

Four Years (4 years) Degree Programme

UTME: In addition to appropriate UTME score, a candidate must possess five Senior School Certificate Examination (SSCE)/its equivalent credit passes including English Language, Mathematics, Physics and any other relevant Science subjects in not more than two sittings.

Direct Entry: A minimum of a credit at the University/National Diploma or NCE with other five Senior School Certificate Examination (SSCE)/its equivalent credit passes in relevant science subjects' three (3) of which must be in English Language, Mathematics, and Physics.

Degree offered: B.Sc. (Hons) Cyber Security

Four Years (4 years) Degree Programme

UTME: In addition to appropriate UTME score, a candidate must possess five Senior School Certificate Examination (SSCE)/its equivalent credit passes including English Language, Mathematics, Physics and any other relevant Science subjects in not more than two sittings.

Direct Entry: A minimum of a credit at the University/National Diploma or NCE with other five Senior School Certificate Examination (SSCE) credit passes in relevant science subjects three (3) of which must be in English Language, Mathematics, Physics.

Department of Software Engineering

Degree offered: B.Sc. (Hons) Software Engineering

Four Years (4 years) Degree Programme

UTME: In addition to appropriate UTME score, a candidate

must possess five Senior School Certificate Examination (SSCE) credit passes including English Language, Mathematics, Physics and any other relevant Science subjects in not more than two sittings.

Direct Entry: A minimum of a credit at the University/National Diploma or NCE with other five Senior School Certificate Examination (SSCE) credit passes in relevant science subjects three (3) of which must be in English Language, Mathematics, Physics.

**BENJAMIN S. CARSON COLLEGE OF HEALTH AND MEDICAL SCIENCES
SCHOOL OF BASIC MEDICAL SCIENCES**

Degree offered: MBBS (Bachelor of Medicine and Bachelor of Surgery)

Six-Year Programme

Admission Requirements

UTME: In addition to acceptable scores in the Unified Tertiary Matriculation Examination (UTME), candidates to be admitted into the degree programme shall possess a credit pass in each of the following: Physics, Chemistry, Biology, Mathematics and English language at the Senior School Certificate Examination (SSCE) or their equivalents in one sitting.

Department of Human Anatomy

Degree offered: B. Sc. (Hons) Human Anatomy

Admission Requirements

UTME: There are two different pathways by which candidates can be admitted into the programme in the discipline: the Unified Tertiary Matriculation (UTME) for a four-year degree programme and the Direct Entry.

Four Year Degree Programme

The minimum academic requirement is credit level passes in five subjects at Senior School Certificate Examination (SSCE)/its equivalent including English Language, Mathematics, Physics, Chemistry and Biology in not more than two (2) sittings in addition to the UTME requirements.

Direct Entry: Candidate seeking admission through this mode should in addition to the UTME requirements possess either: credit passes in Physics, Chemistry and Biology or Zoology at the Higher School Certificates or Advanced Level of General Certificate Examination or its equivalent; or an acceptable First Degree in relevant Biological or Physical Sciences Discipline.

Department of Physiology

Degree offered: B. Sc. (Hons) Physiology

Admission Requirements

UTME: There are two different pathways by which candidates can be admitted into the programme in the discipline: the Unified Tertiary Matriculation (UTME) for a four-year degree programme and the Direct Entry.

Four Year Degree Programme

The minimum academic requirement is credit level passes in five subjects at Senior School Certificate Examination (SSCE)/its equivalent including English Language, Mathematics, Physics, Chemistry and Biology in not more than two (2) sittings in addition to the UTME requirements.

Direct Entry: Candidate seeking admission through this mode should in addition to the UTME requirements possess either: credit passes in Physics, Chemistry and Biology or Zoology at the Higher School Certificates or Advanced Level of General Certificate Examination or its equivalent; or an acceptable First Degree in relevant Biological or Physical Sciences Discipline.

Department of Biochemistry

Degree offered: B. Sc. (Hons) Biochemistry

Four Years (4 years) Degree Programme

Admission Requirements

UTME: The minimum academic requirement is credit level passes in five subjects at Senior School Certificate Examination (SSCE)/its equivalent including English Language, Mathematics, Physics, Chemistry and Biology in not more than two (2) sittings in addition to the UTME requirements.

Direct Entry: Candidates with at least two A level passes in relevant subjects at the GCE Advanced Level/ IJMB/ JUPEB or equivalent, may be considered for admission into 200 Level, provided they satisfy the 'O' level qualifications above.

SCHOOL OF ALLIED HEALTH SCIENCES

Department of Human Nutrition and Dietetics

Degree offered: B. Sc. (Hons) Human Nutrition and Dietetics

Five Years (5 years) Degree Programme

UTME: Minimum of five credit level passes including English Language, Mathematics, Biology, Physics and Chemistry at O'level or SSCE/its equivalent in not more than

two sittings in addition to other requirements by specific programme with acceptable level of pass in the UTME conducted by the Joint Admission and Matriculation Board(JAMB).

Direct Entry Mode: First degree (BSc/HND) in relevant discipline, A' level in relevant science subjects at not less than B grade. Holders of NCE/National Diploma (ND) at minimum of credit level are eligible for consideration for Direct Entry admission into 200 Level. In addition, candidates must meet the required qualifications at Ordinary Level.

Department of Public Health

Degree offered: B. Sc. (Hons) Public Health

Four Years (4 years) Degree Programme

Admission Requirements

UTME: Minimum of five credit level passes including English Language, Mathematics, Biology, Physics and Chemistry or any other Science subjects at O'level or SSCE/its equivalent in not more than two sittings in addition to other requirements by specific programme with acceptable level of pass in the UTME conducted by the Joint Admission and Matriculation Board(JAMB).

Direct Entry Mode: First degree in relevant discipline, A' level in relevant science subjects at not less than B grade, holders of NCE/National Diploma (ND) at minimum of credit level are eligible for consideration for Direct Entry admission into 200 Level, in addition to other requirements by the specific programme.

Department of Medical Laboratory Science

Degree offered: BMLS (Hons) Medical Laboratory Science

Five Years (5 years) Degree Programme

Admission Requirements

UTME: Minimum of five credit level passes including English Language, Mathematics, Biology, Physics and Chemistry at O'level or SSCE in not more than two sittings in addition to other requirements by specific programme with acceptable level of pass in the UTME conducted by the Joint Admissions and Matriculation Board(JAMB).

Direct Entry Mode: First degree in relevant discipline, A' level in relevant science subjects at not less than B grade in addition to other requirements by the specific programme.

SCHOOL OF NURSING SCIENCE

Department of Nursing Science

Degree offered: BNSc. (Hons) Nursing Science

Five Years (5 years) Degree Programme

Admission Requirements

UTME: Minimum of five credit level passes including English Language, Mathematics, Biology, Physics and Chemistry at O'level or SSCE/ its equivalent in not more than two sittings in addition to other requirements by specific programme with acceptable level of pass in the UTME conducted by the Joint Admission and Matriculation Board(JAMB).

Direct Entry Mode: First degree in relevant discipline, and must satisfy the minimum university requirements for admission to the degree Programme. They must in addition to the above, have minimum of credit (C) level passes at the senior secondary school certificate examination (SSCE) or its equivalent in five subjects, at not more than two sittings, which must include English language, Biology, Chemistry, Physics, and Mathematics. Registered Nurses (RN) and Registered Midwife (RM) with credit level passes in the SSCE subject as listed above may be admitted by Direct Entry into 200 level provided they satisfy other University admission requirements.

SCHOOL OF ENGINEERING

Degree offered: B. Eng. Computer Engineering

Five Years (5 years) Degree Programme

Admission Requirements

UTME: For the five-year degree programme, in addition to acceptable passes in the Unified Tertiary Matriculation Examination (UTME), the minimum admission requirement is credit level passes in Senior School Certificate Examination (SSCE) in at least five subjects, which must include English Language, Mathematics, Physics, Chemistry and other acceptable science subjects in not more than two sittings.

Direct Entry (DE) Mode:

For four-year Direct Entry, in addition to five (5) Senior School Certificate Examination (SSCE) credit passes which must include English Language, Mathematics, Physics and Chemistry, candidates with at least two passes in relevant subjects (Mathematics, Physics and Chemistry) at the GCE Advanced Level or IJMB or JUPEB may be considered for admission. Holders of National Diploma (ND), Higher National Diploma (HND at Pass level), NCE (NCE in Physics or Mathematics or related combinations, Merit Level)

First degree, minimum of third class in relevant Engineering or Physical Sciences such as Physics or Mathematics may also be considered for admission into 200 level.

Degree offered: B. Eng. Civil Engineering

Five Years (5 years) Degree Programme

Admission Requirements

UTME: For the five-year degree programme, in addition to acceptable passes in the Unified Tertiary Matriculation Examination (UTME), the minimum admission requirement is credit level passes in Senior School Certificate Examination (SSCE) /its equivalent in at least five subjects, which must include English Language, Mathematics, Physics, Chemistry and other acceptable science subjects in not more than two sittings.

Direct Entry (DE) Mode

For four-year Direct Entry, in addition to five (5) Senior School Certificate Examination (SSCE) credit passes which must include English Language, Mathematics, Physics and Chemistry, candidates with at least two passes in relevant subjects (Mathematics, Physics and Chemistry) at the GCE Advanced Level or IJMB or JUPEB may be considered for admission. Holders of National Diploma (ND), Higher National Diploma (HND at Pass level), NCE (NCE in Physics or Mathematics or related combinations, Merit Level), First degree, minimum of third class in relevant Engineering or Physical Sciences such as Physics or Mathematics may also be considered for admission into 200 level.

Degree offered: B. Eng. Mechanical Engineering

Five Years (5 years) Degree Programme

Admission Requirements

UTME: For the five-year degree programme, in addition to acceptable passes in the Unified Tertiary Matriculation Examination (UTME), the minimum admission requirement is credit level passes in Senior School Certificate Examination (SSCE) /its equivalent in at least five subjects, which must include English Language, Mathematics, Physics, Chemistry and other acceptable science subjects in not more than two sittings.

Direct Entry (DE) Mode:

For four-year Direct Entry, in addition to five (5) Senior School Certificate Examination (SSCE) credit passes which must include English Language, Mathematics, Physics and Chemistry, candidates with at least two passes in relevant subjects (Mathematics, Physics and Chemistry) at the GCE Advanced Level or IJMB or JUPEB may be considered for admission. Holders of National Diploma (ND), Higher National Diploma (HND at Pass level), NCE (NCE in Physics or Mathematics or related combinations, Merit Level), First degree, minimum of third class in relevant Engineering or Physical Sciences such as Physics or Mathematics may also be considered for admission into 200 level.

Degree offered: B. Eng. Electrical & Electronics Engineering

Five Years (5 years) Degree Programme

Admission Requirements

UTME: For the five-year degree programme, in addition to acceptable passes in the Unified Tertiary Matriculation Examination (UTME), the minimum admission requirement is credit level passes in Senior School Certificate Examination (SSCE) /its equivalent in at least five subjects, which must include English Language, Mathematics, Physics, Chemistry and other acceptable science subjects in not more than two sittings.

Direct Entry (DE) Mode

For four-year Direct Entry, in addition to five (5) Senior School Certificate Examination (SSCE) credit passes which must include English Language, Mathematics, Physics and Chemistry, candidates with at least two passes in relevant subjects (Mathematics, Physics and Chemistry) at the GCE Advanced Level or IJMB or JUPEB may be considered for admission. Holders of National Diploma (ND), Higher National Diploma (HND at Pass level), NCE (NCE in Physics or Mathematics or related combinations, Merit Level), First degree, minimum of third class in relevant Engineering or Physical Sciences such as Physics or Mathematics may also be considered for admission into 200 level.

SCHOOL OF ENVIRONMENTAL SCIENCES

Degree offered: B. Sc. Architecture
